[RUSH] MESSAGE:

PCT/USO1/12518 is shown on the palm/bib sheet under foreign applications. Per previous query, this is not continuing data, but if it is not continuing data, GA 00097691 will exceed the 12 month filing limit from the divisional 107007095.

Please resolve.

[XRUSH] RESPONSE:

The PCT data has been moved to the continuing data which does not exceed the 12 month filing date of the continuation. The Examiner has also addressed the spec. even though the new rule does not require this in the spec as long as it is on the bib data sheet. Please correct and do not
